

— *Pavia.*

7546. In Latin, on parchment: written and illuminated at Pavia in 1717 by Rocchus Maria Castelli:  $9 \times 6\frac{1}{2}$  in., 8 leaves: with four full-page miniatures, illuminated borders, &c.

Licence from the University of Pavia to Bernardinus Mastini, of Valdagno in the territory of Vicenza, to practise surgery, 30 Jan., 1717; subscribed by the Chancellor of the University. The seal of the University, formerly attached, is wanting.

Presented, in 1913, together with nos. 7540 and 7558, by Mrs. Nathaniel Thayer, a letter from whom is inserted here.

Paris. 1893.

My dear Quincy.

I have told me  
you were collecting the  
medical diplomas &  
I hope you will think  
these worthy of your  
acceptance. I think that  
they are really  
what you want. I  
send the three at

IN CHRISTI  
NOMINE AMEN.
